

A Quality Water Conditioner Can Make All The Difference!

Your Family Will Feel The Difference Our Quality Water Conditioner Makes Throughout the House.

In the Bathroom: Your soap and shampoo will *lather better*. Your hair and skin will feel noticeably cleaner, softer, and not as dry. And there will be *no soap scum or mineral deposits to clean* off sinks, showers, tubs and toilets.

In the Laundry: Clothes will be softer, cleaner, whiter and brighter. Plus they will last longer. Using soft water and pure soap products *increases the life* of clothing, towels and linens *up to 33%*. Without hard water service issues, *washing machines last longer, too*.

In the Kitchen: Dishes will clean up more easily, and be *spot free*, without the gray film glasses get when etched by mineral-laden water. Plus *hands will feel softer* and look better.

Throughout the House: Water-using appliances will *last longer and run better*. Why? Because hot water heaters, washing machines and dishwashers used with hard water can *wear out 30% faster*.

Over time, soft water savings can really add up. For instance, conditioned water not only delivers greater washing power, it reduces the amount of soap you need to use by up to 70%. In fact, the Bureau of Statistics found that between 17 and 20.8 cents of every dollar are spent on cleaning products. Soft water can *reduce that bill by up to 65%*. It can also eliminate extra rinse cycles and hot water. Plus using less detergent, household cleaners and chemicals is better for the environment.

The bottom line?

Soft water can save you thousands of dollars!

Our quality water conditioners are made with the most durable and best performing components to ensure your family will enjoy all the benefits of soft water and many years of trouble free service!

With softened water, soaps lather better and clean more completely...

Skin will feel smooth and not as dry....

Hair will feel softer and more manageable.

System flow rates are listed at 10 gpm /cu. ft. or 15 PSI pressure loss, which ever is less.

Conditioners equipped with a meter for monitoring actual water usage can save up to 50% on salt and regenerant water usage.

Optional brine tanks available for increased salt storage. Standard brine tank holds approximately 200 pounds of salt.

Specifications subject to change without notice.

Limited Warranty

This water conditioner is covered by the original equipment manufacturer's (O.E.M.) limited warranty. The water conditioner shall be free of manufacturing defects and the O.E.M. will repair, replace or otherwise make operable (at the manufacturer's option) any part defective in material and/or workmanship under normal use and service for a period of forty-eight (48) months from the date of shipment from its plant in Hanover Park, Illinois.

EXCEPTIONS - The warranty period for all internal brine tank parts shall be twelve (12) months from the date of shipment from the manufacturer's plant in Hanover Park, Illinois.

EXCLUSIONS FROM THIS LIMITED WARRANTY - This warranty does not cover:

1. Defects not reported to the manufacturer within the above described warranty period.
2. Problems resulting from failure to comply with installation instructions or drawings, or improper installation.
3. Problems resulting from abuse, misuse, negligence or accident by any party other than the O.E.M.

In order to obtain the benefits of this Limited Warranty, defective Products and/or Parts must be returned to the O.E.M. as soon as possible after discovery of the defect, but in no event later than the expiration date of the warranty period provided in this Limited Warranty. The subject Product or Parts must be returned to the original point of shipment, freight prepaid, along with a letter stating the model number, serial number, if any, the date of purchase of the item which is claimed to be defective and a brief description of the problems encountered. The O.E.M. is not responsible under this Limited Warranty for any cost of shipping or transportation incurred in connection with the return of the Products or Parts.

NO LIABILITY FOR CONSEQUENTIAL DAMAGES. To the maximum extent permitted by applicable law, in no event shall O.E.M. be liable for any damages whatsoever (including without limitation, loss of time, inconvenience, expenses such as telephone calls, labor or material charges incurred in connection with the removal or replacement of the Product(s) or Part(s), special, incidental, consequential, or indirect damages for personal injury, loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the defective Product(s) or Part(s), even if the O.E.M. has been advised of the possibility of such damages. In any case, O.E.M.'s entire liability under any provision of this Limited Warranty shall be limited to the amount actually paid for the Product(s) or part(s). PLEASE NOTE: Because some states/jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, the above limitation or exclusion may not apply.
